Officer Paul Van Handel: been quiet in the neighborhood crime wise. Some small petty thefts from outside houses. Lawn ornaments, swings. No drug calls, disturbances, robberies, property damage.

4. Group discussion on topics:

A. Sat. February 16 Wine Tasting update: Posted on ANA website, Facebook, emailed, on Brown Co. Historical Society website. Discussed putting up signs to advertise the wine tasting around the neighborhood. We will wait on this a little to be sure residents get first dibs.

B. Newsletter: Cheryl taking over newsletter for next edition. Going to set up a calendar with specific dates for article submissions etc. Has several people already doing articles. Researching using different printing companies that can do it in one shot (printing, folding mailing). Spring newsletter to go out by April 1 in time to announce Mon. April 15 annual meeting and Sat. April 20 Easter egg hunt.

C. This years events – Ron: Slide show for annual meeting to show people what we do as the ANA, all the community events etc. Will mention costs of these events as well so the neighbors understand why we ask for donations etc.

D. Discussed the signage coming into the neighborhood. Is it up for possible replacement? Article in newsletter asking if someone would like to take on the project of landscaping around the sign.

Adjourn, 7:20pm

Next Meeting is planned for Mon. February 18, 6:00 PM, at First Lutheran Church.
