4. Announcements, Committee Reports and Special Guests

a. Update from Officer Paul Van Handel- Rash of car break-ins (many unlocked). 600 blocks of s. Jackson, s. Quincy, s. VanBuren key areas. Vital to call in reports of break-ins, even if little/nothing taken, to give the police a pattern to watch. License plate numbers the best help for persecution. Encourage motion sensors on front lights.

Some jr. high girl gang fight problems around Washington Middle School. They seem to want the public attention.

b. Update from City/County Representatives:

- County Supervisor Erik Hoyer spoke about the proposed .5% county sales tax, for various projects such as libraries, roads (not in GB), southern bridge (between Wrightstown and De Pere), Neville Museum, STEM at UWGB, Expo center (tear down, make a larger indoor bldg.). Some concerns raised that the road projects would not be in GB, the worth of the Expo center area, the speed in which this is being brought to a vote
