c. Alderman Bill Galvin:

- Dog park: presented details about the Whitney Dog Park as an example. Would we want more smaller pocket parks, or a few larger regional parks? Pocket parks either at Astor Park, or under the bridge or around East River? People seem to be picking up well in the pocket parks. ANA support, both verbal and financials, would be sought.

- Historic Preservation Committee ordinance proposals: going to Planning soon, and then City Council. Looking for Astor residents on a future committee.

- A lady would like a conditional use permit (CUP) by the Not by Bread Alone (original), corner of Porlier and Jackson. Would prepare and deliver meals. ANA board is supportive.

4. Old Business
